Data Subject's rights

Unless subject to an exemption, Data Subjects have the following rights:

- The right to access their personal information
- The right to request amendments/rectification of their personal data
- The right to request their personal data to be erased, where it is no longer necessary for the information to be retained
- The right to request a restriction of the processing of their data
- The right to obtain a copy of their personal data (the right to data portability)
- The right to object to the processing of their data
- The right to object to the use of automated decision making, including profiling
- The right to claim compensation for damages caused by an infringement of the Regulation

Data Subject access requests must be submitted to the Data Controller, in writing.
